4th February 2022

Hi

Lincoln Radio Sailing Club will be extending a very warm welcome to this event on 13th February 2022.

The racing will be held in accordance with the NoR, and at the current time it would appear that we will have two fleets.

Members of our race team will be at the lake on Saturday 12th February from 13.30 hrs if you fancy a practice.

There is ample lakeside parking. On site camping is available by prior arrangement at £5/night. There are no facilities on site other than our disabled toilet, which will be left unlocked Saturday/Sunday.

Tea and coffee will be available all day free of charge, but please **bring your own mug**. We are pleased to say that our famous bacon and sausage burger butties will be back on sale. Bacon butties (£1.50) will be available between 08.00 and 10.00, and the sausage burger with onion butties (£2.00) between 11.30 and 13.00. Although it is not essential to book, **it would be helpful if you could let us know** if you are likely to want either or both early bacon butties/lunchtime sausage burgers. Thanks.

We cannot boast a fancy clubhouse, but we are now the proud owners of an Event Shelter. If the weather is looking a tad wet and the wind allows this will be available for some "open air" cover.

We look forward to seeing you all at Lincoln.
